

HP Pavilion TouchSmart 23-f412ea All-in-One Desktop PC (ENERGY STAR)

Touch technology—big on value, great on entertainment. Your favorite music, videos, and games are just a tap away. The affordable HP Pavilion TouchSmart 23 All-in-One is all you need to stay in touch with whomever and whatever brings you joy.

HP recommends Windows.

Slim, simple, smart

Eliminate the mess. Just one connection to the wall reduces cable clutter. A slim design gives you space-saving style and entertainment in any room.

Big Screen Entertainment

Immerse yourself in games and movies, and bring your big-screen entertainment to life with a 58.4 cm (23") diagonal, Full HD¹, LED display. The accompanying stand takes up less space, so you can spread out.

Windows 8 with multi-touch gestures

Have some fun and get more out your experience with HP 5-point multi-touch technology and Windows 8. Games, video, and music are all at your fingertips.²

¹ High-definition (HD) content required to view HD images. ² Not all features are available in all editions of Windows 8. Systems may require upgraded and/or separately purchased hardware, drivers and/or software to take full advantage of Windows 8 functionality. See <http://www.microsoft.com>.
